

# Garuba Ibrahim Ayobami

## Broadcast Engineer

Broadcast Engineer focused on applying sound engineering principles using both traditional and innovative methods.

Always eager to contribute to team success through hard work, attention to detail and excellent organizational skills. Motivated to learn, grow and excel in industry. Over time, I have honed my skills in the use of Microsoft Office, Analytical Thinking and Problem solving, Programming, Video Editing, Poetry, Writing, Radio and Television Broadcasting, Graphics design, Student leadership, Teamwork, and Installation. My skills thrive in an environment where I am allowed to leverage my skills, carry out tasks with minimal supervision and work with teams.
